God's word is the authority or standard by which all people will be judged on Judgment Day. Jesus says in John 12:48, "He who rejects Me, and does not receive My words, has that which judges him, the word that I have spoken will judge him in the last day." People may ignore God's word now, but on Judgment Day they will not be able to ignore it. Happy will be the person who has shown his love for the truth of God's word and obeyed it. Because the Bible is the pure and inspired word of God it "is able to save your souls" (James 1:21). But woe be to those who have set it aside.

We must not neglect to follow God's authoritative word if we want to go to Heaven. Hebrews 2:3 says, "How shall we escape if we neglect so great salvation, which at first began to be spoken by the Lord, and was confirmed to us by those who heard Him." There is no escape if one neglects to believe and obey God's authoritative and infallible word.
