VOLUME 21

# CHURCH OF CHRIST @ FORISTELL

## Pornography

The West End church of Christ hosted a Gospel meeting this week (18-21<sup>st</sup>), with Don Blackwell as the keynote speaker. Topics were geared towards looking at moral issues from a Biblical perspective. [You can view those videos here: <http://www.housetohouse.com/MediaSearch.aspx?search=Don%20Blackwell>] Here were some of the key points from Don's lesson on Pornography. Do they apply to you?

**Pornography damages trust in a marriage.** If your eyes are undressing another woman, how does that build and preserve love in your marriage?

**Pornography damages your purity.** Garbage in, garbage out. Porn fills you with filth.

**Pornography damages your heart.** Instead of viewing woman as people, they become objects to attain, pictures to drool over, magazines to discard.

**DON'T FORGET TO SILENCE YOUR PHONE DURING WORSHIP**

*continued on inside page...*

**Richard Carroz**

is back home from the hospital now, but please keep him in your prayers as he recovers. Cards can be sent to Richard at:

**Lindsey Jackson**

continue to keep her in your prayers for a healthy pregnancy. Cards can be sent to Lindsey at:

**Kay Shepard**

is asking for our continued prayers for her recovery from her skin infection. She is still dealing with that very uncomfortable problem, but has received some medication that she hopes will help. She wants us all to know how much she appreciates our prayers and looks forward to being with us again.

**The Dauve Family (friends of the Smiths)**  
The Smiths are asking for prayers for Scott, Regan and Risa Dauve in the unexpected passing of their wife and mother, Janet, from a brain aneurism last week. She was a recently retired teacher from Fort Zumwalt North High School.

**Ashton Balyeat (Evan Romo's bro-in-law)**

who lives in San Antonio has been placed on the list for a kidney transplant. Please pray that they will find a match soon.

**C.H. Pippin (Cindy Thompson's dad)**  
was back in the hospital at Barnes St. Louis this week with 30% kidney function. They have been trying to get improvement in his blood sugar and kidney levels and make sure his heart is working properly. He may be released today. Pray for him and his continued health struggles.

**Janet Colvett (Sherra's step-mom)**  
underwent a mastectomy this past week. The surgery went well, the doctor's didn't find anything suspicious and she is back home recovering. Encouragement cards can be sent to her at:

**IN OUR CONTINUED PRAYERS...**

Tracy Ehlmann (health), Kay Shepard (health), Kim Vogelsang (health), Sandie Owens (personal problems), Harold Fitzjerrell (Alzheimers), Carl Wright (health), Caleb Sams (cancer), Marsha Clark (cancer), Janet Colvett (cancer recovery and loss of loved ones), Brice Thompson (Air Force - his address is on the back bulletin board), Moliter family (house fire), The Ries Family (passing of their husband and father, Chad)

*"Flee also youthful lusts;  
but pursue righteousness, faith, love, peace  
with those who call on the Lord  
out of a pure heart." - 2 Timothy 2:22*

**Pornography damages your relationship with God.** It will build a wall between you and God (Isa 59:1, 2). It will cause you to grow numb towards viewing it and will encourage you to move towards "harder" sins to get your "fix".

**Pornography damages your reputation.** When people find out you are addicted, they will never look at you the same way again. You can be forgiven, but your sins will find you out.

**Did you know?** 70% of all porn is viewed between the hours of 9am-5pm? What are you doing at work? 70% of Christians admit to struggling with porn. 68% of males while on Christian college campuses had intentionally visited pornographic websites.

Be careful little eyes what you see...for your Father up above is looking down with love...So be careful little eyes what you see.
