CHURCH OF CHRIST @ FORISTELL

An Atheist's View on Life

I will live my life according to these beliefs
God does not exist
It is just foolish to think
that there is a God with a cosmic plan
That an all-powerful God brings redemption and healing
It is comforting thought, however
It
Is only wishful thinking
A People can do as they please without eternal consequences
The idea that I am deserving of Hell
Because of sin
Is a lie meant to make me a slave to those in power
"The more you have, the happier you will be"
Our existence has no grand meaning or purpose
In a world with no God
There is freedom to be who I want to be
But with God
Everything is fine
It is ridiculous to think
I am lost and in need of saving

*"Bless the Lord, O my soul!
 O Lord my God, You are very great;
 You are clothed with splendor and majesty,
 Covering Yourself with light as with a cloak,
 Stretching out heaven like a tent curtain."
 - Psalm 104:1-2*

 HE IS ALIVE.
 IN HIM WE LIVE
 AND WE
 SURVIVE!**
