*"That you put off, concerning your former conduct, the old man which grows corrupt according to the deceitful lusts, and be renewed in the spirit of your mind, and that you put on the new man which was created according to God, in true righteousness and holiness." - Ephesians 4:22-24*

**Why even try? (from Dehli, India)...** "There might be a way to teach the bright young men - or some of them - for they are a part of this modern age, with enough education that they hunger for more; but those who sit in such obvious darkness of mind, illiterate, full of superstition and false faith in gods of wood and stone - what are their chances of ever hearing and understanding Christianity? We looked down and saw with clear understanding the pure hopelessness of it: hundereds of millions of the present generation will die without having once heard of Jesus Christ. But, *if* that bright young man can be taught, he will have the ability to teach others, and maybe the next generation of Indians will have a greater hope of hearing the truth than the present one. That was why we had come: To contribute what we could to increase the number of bright Christian young men that may, in turn, reach out to the poor and illiterate, the masses of their fellow-countrymen."
