## Attitude Check!

Before you walk out the door on your way to work, to the store, or to run errands, do you check yourself in the mirror? Wouldn't it be embarrassing if you had half a tree of broccoli in your teeth and didn't even know it? That's why so many people take a quick look in the mirror before they leave home to give themselves a quick, "once over."

Though we are quick to give ourselves a check to see how we look, how often do we think to give our attitudes a check to see if we are ready to be lights to the world? Many times I have seen people who are beautiful on the outside, but as soon as they open their mouths, they expose themselves for what they really are... "full of dead men's bones" (Mt 23:27). Try checking yourself on these 8 points before you walk out the door. Are you ready for worship today?

1. Ready for the assembly with high anticipation and eagerness? Are you hungry and thirsty for righteousness and ready to be filled (Mt 5:6)?
